

Prof. Khaled Abdel-Sater CV

Personal Data:

Full Name: Khaled Ahmed Abdel-Sater.

Profession: Full Professor of Physiology, Faculty of Dentistry Mutah University, Karak, Jordan.

-Full Professor of Physiology, Faculty of Medicine Al-Azhar University, Assiut, Egypt

E-mail: kabdelsater@mutah.edu.jo

kabdelsater@yahoo.com

Date of Birth: December 23, 1969 -Assuit-Egypt.

Address: Assiut-King Faisal st., Al-Azhar University Sq.

Mobile: 00201067970804

Academic and Professional Qualifications:

-Medical Bachelor & Bachelor of Surgery (M.B.,B.Ch.) Dec. 1993, Al-Azhar University, Cairo, Egypt.

-Master Degree in Physiology (M.SC.), 2000, Al-Azhar University Cairo, Egypt.

-Medical Doctor in Physiology (Ph.D.), 2004, Al-Menia University Egypt.

Working Experiences:

Position	Start date	End date	Name of organization	Country
Administrator of physiology	8-9-1998	22-8-2000	Faculty of Medicine Al-Azhar University, Cairo	Egypt
Assistant lecturer of physiology	23-8-2000	1-6-2004	Faculty of Medicine Al-Azhar University, Assiut	Egypt
Lecturer of physiology	2-6-2004	2-12-2009	Faculty of Medicine Al-Azhar University, Assiut	Egypt
Assistant Professor of Physiology	1-9-2005	30-8-2007	Faculty of Healthy Science, Abha	KSA
Assistant Professor of Physiology	1-9-2007	30-8-2009	Faculty of Medicine Omer Al-Mokhtar University	Libya
Assistant Professor of Physiology	1-9-2009	30-8-2010	Faculty of Medicine Tabuk University	KSA
Associate Professor of Physiology	2-10-2010	1-9-2012	Faculty of Medicine King Abdul Aziz University	KSA
Assistant Professor of Physiology	3-12-2009	17-2-2014	Faculty of Medicine Al-Azhar University, Assiut	Egypt
Professor of Physiology	18-2-2015	Up To date	Faculty of Medicine Al-Azhar University, Assiut	Egypt
Professor of Physiology and Advisor of University President for Community Services and Environment Development	1-10-2016	1-9-2017	Deraya University El-Mina	Egypt
Vice Dean for Education and Student Affairs	31-7-2018	31-7-2022	Faculty of Medicine Al-Azhar University, Assiut	Egypt
Professor of Physiology	9-2-2024	Up To date	Faculty of Dentistry Mutah University, Karak	Jordan

Meetings and Workshops Attended:

- 1- Conference of diabetes mellitus and the heart in Cairo- Egypt on 6th and 7th September 2006.
- 2- First Egyptian international conference on E- medicine (EICEM1) 27- 29 march 2007.
- 3- Workshop in the program for E-learning teaching skills and web-based education on blended learning, King Fahed University of petroleum and minerals, KSA, on 12 and 13 January 2008.
- 4- E-learning and clinical skills workshop King Fahed University of petroleum and minerals KSA, 2008.
- 5- Arts of learning online workshop King Fahed University of petroleum and minerals KSA, 2008.
- 6- Second annual forum on E-learning and English language learning, Tabuk University KSA, 28 May 2008.
- 7- Achievement Tests, Tabuk University KSA, 20-21 May 2009.
- 8- MOODLE in Education Administration, Tabuk University KSA, 22 March- 6 April 2009.
- 9- Creative fundamentals, Tabuk University 6-7 October 2009.
- 10- Fundamentals of Pedagogy, Tabuk University KSA, 8-9 October 2009.
- 11- General and educational scenario, Tabuk University KSA, 13-16 October 2009.
- 12- The 1st international conference of Omer Al-Mokhtar Faculty of Medicine, 23 -25 April 2010.
- 13- Developing the capabilities of faculty members, Omer Al-Mokhtar Faculty of Medicine, 16-21 March 2010.
- 14- Human Development Omer Al-Mokhtar Faculty of Medicine, 29 April 2010.
- 15- 3rd annual conference for Egyptian Society of Physiological Sciences (ESPS), Tanta University, Physiology: a framework of integrated research, 20 March 2014.
- 16- The 9th annual scientific conference of Sohag Faculty of Medicine: Applied Scientific Research, A Fact or A Fiction? 24 and 25 April 2014.
- 17- The development of the administrative and legal skills, Assiut University 4-5 February 2014.
- 18- The effective management of time and work pressures, Assiut University 11-12 February 2014.
- 19- Crisis and disaster management. Assiut University 14-15 February 2014.
- 20- Strategic planning. Assiut University 20-22 February 2014.
- 21- Modern trends for the development of education methods of measurement and evaluation, Assiut University 8-9 March 2014.
- 22- Guidelines of management of acute cerebrovascular stroke, 1st conference of Neuropsychiatry Department, Al-Azhar Faculty of Medicine Assiut: New ara in integrated medicine , 18 March 2014.
- 23- The 3rd annual scientific conference of Al-Azhar Faculty of Medicine Assiut: New ara in integrated medicine , 20and 21 September 2018.

- 24- The 4th annual scientific conference of Al-Azhar Faculty of Medicine Assiut: integrated medicine , 19 and 20 September 2019.
- 25-Introductory Human Physiology, an online course, Duke University, 21/8/2018.
- 26- Presentation and Apply skills, an online course Nafhan, 26 July 2019.
- 27- Job interview skills, an online course Nafhan, 26 July 2019.
- 28- Time management and organization, an online course Nafhan, 26 July 2019.
- 29-Setting goals, an online course Nafhan, 26 July 2019.
- 30-Basis of entrepreneurship-1 an online course Nafhan, 15 September 2019.
- 31- Training in web science, end note online, incites and JCR (CLARIVATE), Al-Azhar Faculty of Medicine Assiut, 24 October 2019.
- 32-TOT course in entrepreneurship Al-Azhar Faculty of Medicine Assiut, 20 and 22 September 2019.

Teaching Experiences:

Experience of teaching physiology for more than 22 years for:

- Medical students (Al-Azhar, Sohag, South Valley, New Vally, KSA, Libya, Merit and Mutah).
- Dental students (Al-Azhar, South Valley and Mutah).
- Pharmacy students (Al-Azhar, Sohag and Deraya).
- Physical therapy students (South Valley and Deraya).
- Nursing students (Al-Azhar and Sohag).
- Veterinary students (New Valley).
- Medical science students (KSA).
- Health science students (KSA, Assiut).
- Postgraduate students (Al-Azhar, Sohag and South Valley).

Subjects Taught:

A- Undergraduate Integrated Courses 5+2 Taught (By Rotation):

Cell biology and function (transport across the cell-membrane, body fluid compartments and electrolytes, homeostasis, membrane potentials & ANS), **Skin & Musculoskeletal**, (muscle physiology & body temperature regulation), **CVS** (cardiovascular system), **GIT** (gastrointestinal physiology) **Respiratory and renal** (the respiratory system & renal physiology and acid-base balance), **Hematology** (blood physiology), **Endocrinology, reproduction & developmental biology**, **Neurosciences** (central nervous system physiology and special senses physiology).

B-Teaching Courses to Medical Practitioners studying toward The M.SC and PHD of Medicine:

Homeostasis, stress physiology, hormones of growth, growth and development, acid base balance, electrolytes balance, formation of urine, digestion and absorption of food, gastrointestinal enzymes and hormones, motor and sensory functions of the brain, ventilation in health and disease, electrical physiology, special circulation, hair cells function, feedback mechanisms, paradoxical physiological phenomena, chemical transmitters and endocrinal disorders.

Area of Research Interest:

- Endocrinology.
- Experimental physiology.
- Sport medicine.
- Stress physiology.

Sharing in international book (peptic ulcer)

Khaled A. Abdel-Sater (2011). Herbal Treatment of Peptic Ulcer: Guilty or Innocent, Peptic Ulcer Disease, Jianyuan Chai (Ed.), ISBN: 978-953-307-976-9, InTech,
<http://www.intechopen.com/articles/show/title/herbal-treatment-of-peptic-ulcer-guilty-or-innocent>

Scientific Contribution as A Reviewer:

Dr. Khaled has been appointed as an external reviewer for the following medical journals:

- 1- African Journal of Biochemistry Research.
- 2- International Journal of Medicine and Medical Sciences (IJMMS).
- 3- Sultan Qaboos university medical sciences journal.
<http://web.squ.edu.om/squmj-central/articles/Thanks-2-%20Reveiwers.pdf>
- 4-King Abdulaziz City for Science and Technology (KACST).
- 5-Scientific Research of Qassim University.

One of Editorial board of Al-Azhar Assiut Medical Journal from 2017- up to date.

An award for excellence in research: Highest evaluation score in research gate for staff members in Faculty of Medicine, Al-Azhar University, Assuit – 2015.
